

Jabra UC VOICE™ 250 DISCREET AND PORTABLE UC HEADSET

LIGHTWEIGHT AND PORTABLE

The Jabra UC VOICE™ 250 is a corded headset designed specifically for Unified Communications deployments. The headset comes with a mono speaker and is highly compact. This makes the headset easy to transport and perfect for light-to-medium use by professionals who work in different locations during the day – both inside and outside the office.

THE IDEAL HEADSET FOR VIDEO-CONFERENCING

The discreet design is perfect for professional video-conferencing making it seem even more like a face-to-face meeting.

INSPIRED BY AN AWARD-WINNING DESIGN

The Jabra UC VOICE™ 250 is based on an award-winning behind-the-ear design. The design is very discreet and elegant, which makes the headset nearly invisible. The ergonomic wearing style provides superior comfort and the user hardly notices wearing the headset since the flexible design secures a perfect fit to the ear.

CRYSTAL CLEAR SOUND

The Jabra UC VOICE™ 250 features superior sound clarity for softphone calls, conference calls, live presentations and other multimedia applications. The noise-cancelling microphone suppresses background noise. Also, the flexible boom-arm ensures optimal microphone placement.

EASY TO DEPLOY AND OPERATE

The Jabra UC VOICE™ 250 is certified and optimised with all leading Unified Communications platforms. Simply connect the headset to the computer and it is ready for use.* The intuitive call-control unit attached to the cord allows for fast user adoption.

1. Discreet and compact behind-the-ear design
2. Flexible wearing style supports both left and right ears
3. Crystal clear wideband sound
4. Noise-cancelling microphone
5. Intuitive call-control unit for fast user adoption
6. Plug-and-play USB connectivity
